PLAN HEARING ON ZION-ROCKTON ROAD ON DEC. 15

State Dept. to Consider New Link in Trans-State Highway System.

Renewed activities to hasten the building of Illinois highway No. 173 (Zion to Rockford route), began in earnest last week when it was learned that Cornelius H. Miller, head of the state department of public works, had addressed a letter to Mayor Harwood of Zion asking that a date be set for the public hearing on the east section of the road, the Harvard to Zion stretch.

Unless otherwise announced by the highway department, the hearing will be held at Zion tabernacle on December 15, according to Mayor Harwood's reply to Col. Miller's inquiry. Citizens of Zion are inviting delegations from all points along the proposed route and are preparing to feed and entertain the 500 or 600 expected to attend the hearing.

Urge Harmony in Road Location
City Attorney Bishop of Zion has been busy this week spreading the news of the hearing along the line, urging harmonious action in the matter of recommending a route, especially through the incorporated towns along the proposed route.

To discuss plans and possible locations for the new route through or near Antioch, many citizens here assembled at the village hall last Friday night when Mr. Bishop explained all he knew of the situation to that date. The result of this preliminary meeting, which was presided over by Mayor S. E. Pollock, was the selection of a committee of eleven men who were instructed to ascertain the sentiment of property holders and report at a second meeting Monday night.

The committee members submitted two feasible routes, and Mayor Pollock was appointed as spokesman for the Antioch delegation when the hearing is held at Zion. According to the committee's instructions, the two proposed routes are to be drawn on one map which is to be submitted to the state highway officials at the hearing. The northern route as mapped, leaves the Hickory road at Bean Hill and passes in a northwesterly direction north of Little Silver Lake, coming into Antioch at or near Depot Street, crossing Main street, (highway 21) at the intersection of Orchard street, thence west to Channel Lake road. The southern route, according to committee members who favor that location, follows the present Hickory road right-of-way to Wedges corners, thence northwesterly.

Allendale Oxford Sheep Are Winners At International

The Allendale flock of 14 Oxford Down sheep won new honors at the International Livestock Show last week where they were awarded 19 ribbons, including that awarded to the reserve champion ewe. At the International they met the keenest competition that can be found anywhere, carrying away their share of the honors in competition with flocks from Canada, from many of the Agricultural schools of the state universities, and flocks from Wisconsin, South Dakota, Illinois and Idaho which were entered in the Oxford Down class.

The Allendale Down flock has established its superiority wherever it has exhibited this year. A grand total of 142 ribbons has been won at the fair where the sheep have been shown. A large majority of these ribbons were firsts and many more of them seconds.

Besides the showing made at the International Livestock exposition the flock won honors at the Royal Stock Show at Kansas City a month ago, carrying away 18 prizes and awards for the best pen of lambs and the champion ewe.

Besides these two expositions the Allendale flock has been exhibited at thirteen fairs, nine of which were state fairs, and the balance such expositions as the Central States Fair at Aurora. Among the state fairs visited were North Dakota, Indiana, Ohio, Wisconsin, Illinois and Michigan.

The flock numbers fourteen and is under the charge of Wm. Duncan of the Allendale Farms.

Notice!

The subscription price of the Antioch News will be increased from \$1.50 to \$2.00 per year January 1st, 1928. Practically all of the weekly newspapers of the country are now selling at the \$2.00 per year rate, the price having been advanced in recent years owing to the fact that it takes more than \$1.50 to produce a good newspaper. The price will be strictly in advance.

Until January 1st the News will accept renewals and new subscriptions not to exceed six months in advance, at the rate of \$1.50 per year.

FORMER A. T. H. S. STUDENT WINS FRESHMAN HONOR

William Schwenk, a member of last year's senior class at Antioch Township High School and this year a student at Urbana, was honored by that institution recently when he was awarded a minor freshman numeral by the vote of the athletic board of control for his work on the freshman football squad.

Schwenk is a scholarship student in the agricultural department of the university. He is a former Allendale student.

BODY OF CHICAGOAN FOUND IN COTTAGE AT GRASS LAKE

Death Is Due To Natural Causes Says Coroner's Jury At Inquest.

Discovery of the dead body of Charles Radcliffe, 70, of 34 N. Parkside avenue, Chicago, was made accidentally at Grass Lake last Thursday. Radcliffe had come out to his summer home at the lake for a few days stay on Monday, and his wife, becoming apprehensive when the time for his return had elapsed and she had heard nothing from him, telephoned to Andrew Wedeen, a neighbor, and asked that some one be sent to the cottage to summon him.

Upon making a second trip and failing to get any response, Mr. Wedeen broke in through the screened porch and gained a view of the interior of the cottage through the window. He then discovered the body of Radcliffe and called a deputy sheriff from Sheriff Doolittle's office who forced an entrance into the house.

A coroner's jury, under the direction of Coroner J. L. Taylor of Libertyville, met at Strang's undertaking parlors in this city Saturday and returned a report of death caused by organic weakness of the heart. Radcliffe had been dead two days when the body was discovered. The body was removed to Chicago for burial Saturday afternoon.

Mr. Radcliffe was born on the Isle of Mann but had been a resident of this country for the past 50 years. For a number of years he and his family have had a summer cottage near the Wedeen home on Grass Lake. He is survived by a wife and son.

STUDENTS EARN PLACE ON H. S. HONOR ROLL

Prize L. O. Bright of the Antioch Township High School this week made public the honor roll for the second six weeks of the school year.

But one student, Martha Westlake, maintained a grade of 90 or better in five subjects. Four ranked 90 in four subjects. They were Dorothy Hughes, Louise Simons, Homer Tiffany, and Marion Willis.

Those who attained a grade of 90 in three subjects were: Ward Edwards, Mary Anderson, Homer Edwards, Lena Nelson, Evelyn Norris, Helen Neahous, and Ramona Winslip.

Those with two grades of 90 to their credit were: Kenneth Deagan, Robert Hughes, Oscar Nelson, Lillian Wells, Lloyd Atwell, Lillian Hawkins, Harold Kennedy, Marguerite Kutalk, Gordon Martin, Barrett Snyder, Mary Galiger, Clara Haling, Marcella Holmes, William Steininger, Alyce Hahn, and Marguerite Manser.

Two classes, the Seniors and Sophomores, tied for the honor of having the highest percentage of students with grades of 90 or more in two subjects. 21 per cent of each group attained the marking. The Junior class was next with 20 per cent, and the Freshmen last with only 8 per cent.

When the number of students with only one honor grade was considered the honors were distributed among the classes as follows: Seniors, 50 per cent; Sophomores, 45 per cent; Juniors, 35 per cent; and Freshmen, 25 per cent.

ANTIOCH MAKES READY FOR JOYOUS HOLIDAY SEASON

Plans For Community Tree And Merrymaking Are Under Way.

Christmas is in the air, and Antioch's merchants have been busy this week decking their stores for the occasion. Santa Claus is much in evidence, and the News advertising columns present the story of the many bargains set before the people of Antioch by its enterprising merchants.

Windows glisten with the tinsel show of the Christmas season and judging from the many fireplaces in evidence and the displays of gifts suitable for every member of the family, Santa Claus has his headquarters in Antioch. Merchants this year are displaying a wider assortment of Christmas gifts than ever before. Christmas shoppers will find here an opportunity to make their selections from well supplied stocks and at prices which will compare favorably with any of the stores in the larger cities.

Many Christmas activities are reported by the organizations of the community. The Woman's Club, under the direction of Mrs. Herbert Vos, will continue their practice of providing the Christmas tree for the children of the community. The Boy Scouts have offered their services to help erect and trim the tree, which has been ordered from the west coast by H. J. Vos, as a gift to the children of the community. The tree will probably be erected at the turn at the corner of Main and Orchard streets.

Santa Claus will not be neglected at the grade school. Each of the rooms is planning its celebration and the children are busy making Christmas decorations, writing letters to Santa Claus and learning Christmas carols. A group of carol singers under the direction of Miss Dorothy Patterson, teacher of music, are planning to furnish glee singing during the evening of the week before Christmas.

At the churches preparations are under way for the Christmas season. Arrangements have been made to have the good Saint Nick visit the Methodist Sunday School on the evening of December 23rd and the evening of Christmas Day the church will present a pageant, "Adoration of the King and the Shepherds" with a group of 30 people, including the adult choir, participating. St. Ignace will also have a program appropriate to the Holy Season and plans are under way for the services.

Seniors Will Present Annual Class Play At High School Friday

The Seniors this week are rushing to completion preparations for their annual play, "A Pull House" which is to be given at high school auditorium tomorrow evening.

The play is a comedy and is full of humorous and trying situations. Members of the cast include Edwin Kapple, Jean Abbott, Dorothy Brogan, Marian Willie, Marguerite Manser, Russell Spicer, Homer Tiffany, Jos. Bernello, Harold Asp, Herbert Ghan, Ray Van Patten, Edna Verrier, Roberta Lewis and Ramona Winslip. The play is under the direction of Miss Hedvig Rice of the High School faculty, and the High School orchestra, led by L. A. Stark, will furnish the music.

Obsequies of Miss Jessie Runyard To Be Held Saturday

Miss Jessie Runyard, daughter of Mr. and Mrs. Wm. Runyard, who has been a sufferer from tuberculosis for many months, passed away at the home of her parents Tuesday evening. Funeral services will be held from the Methodist church Saturday afternoon at 2:00 o'clock, the Rev. A. M. Krabi officiating.

Ing the highest percentage of students with grades of 90 or more in two subjects. 21 per cent of each group attained the marking. The Junior class was next with 20 per cent, and the Freshmen last with only 8 per cent.

STUDENTS SAVE FARMERS \$4,500.00

In a spirited contest conducted during October and November, boys of the Agricultural Department of the Antioch Township High School destroyed enough pests on their home farms to have prevented a damage to grain and other farm property valued at \$4,510.00.

Figuring that rats and gophers do \$5.00 worth of damage; mice \$1.00; ground hogs \$25.00; crows \$15.00; sparrows \$3.00; and barberry bushes \$100.00 the prevented loss was arrived at.

1110 sparrows were killed; 255 mice; 83 rats; 8 ground hogs; 6 gophers; 4 crows; and 2 barberry bushes were exterminated. Lloyd Atwell was high man again this year, having 335 sparrows; 2 rats; 5 ground hogs; 2 crows; and 1 barberry bush to his credit.

The losers in the contest will give a party to the winners in the near future. High men in the contest will be honored at that time.

HIGH SCHOOL TO OPEN BASKETBALL SEASON THIS WEEK

Waukegan Tossers Coming Saturday Night For First Game of Year.

The basketball season will be opened Saturday night of this week on the home floor when Waukegan second team plays Antioch first team and the Waukegan Freshman coached John Morley will play Antioch seconds. These games will give an indication as to what can be expected from the boys this year. Capt. Spicer is the only one left of the first five of last year, but Coach Watson believes he has some promising material in Steininger, Bernello, Michell, Murrie, Wertz, Sheehan and Strametz.

All of the games this year will be double headers and start at 7:30. The season schedule is as follows: Saturday, December 10, Waukegan Seconds at Antioch.

Friday, December 16, Leyden at Antioch.

Tuesday, February 28, Antioch at Palatine.

Friday, March 2, Antioch at Wauconda.

Explosion of Heating Plant Stops Production At Corona Pen Factory

An explosion of the heating plant at the factory of the Corona Pen Company here Sunday made the heating system useless and halted production for the first three days this week.

The shipping department was able to function during the time, and while the delay was costly at the Christmas season, the accident was a minor one and the factory was able to resume production this week.

GRADE SCHOOL LISTS HONOR ROLL PUPILS

W. C. Petty, Principal of the Antioch Grade School this week has given out the list of the students from the fourth to the eighth grades who led their classes in the tri-monthly examinations. They are as follows:

Fourth Grade: Paul Bichey, 85; John Ferris, 81; Bruce Dalgard, 81. Fifth Grade: Kenneth Crowley, 89; Ray King, 87; Ruth Chinn, 85. Sixth Grade: Marjory Crowley, 91; Bernice Jensen, 90; Clayton Bartlett, 87. Seventh Grade: Lillian Vykuta, 89; Hazel Hawkins, 88; Dan Williams, 86. Eighth Grade: Robert Dickson, 92; Helen Pachey, 86; Robert King, 85.

VANDALS ROB GRAVE IN GRASS LAKE CEMETERY

An instance of vandalism of a rather unusual sort came to the attention of the public last week when it was learned that a tombstone from Grass Lake cemetery had been placed in the back yard of R. D. Brown of 503 North Butler St., Waukegan. The stone bore on its face the inscription, Byron E. Yopp, son of R. W. and J. F. Yopp. Its identification was effected by Mrs. Chas. Herman of this place who, upon reading of the incident in the paper, recognized the name as that of a nephew of hers who had died many years ago in infancy. Mrs. Herman went over to the burial place at Grass Lake and made sure of the fact that the stone had removed from its base.

Mrs. Richard Wilton of Lake Villa is also an aunt of the deceased, and, upon learning that the stone was in Waukegan she and her husband took steps to return it. Friday Mr. Wilton drove to Waukegan, identified the stone, brought it back and reset it in its place in the Grass Lake cemetery.

Just what could have been the intent of the vandals will probably never be learned, nor were authorities able to advance any clue as to who was responsible for the act. Brown, in whose back yard the marker was deposited, is athletic coach in the Waukegan high school and was unable to name any motive.

The stone, a round marker, weighed about 200 pounds, and much effort must have been expended by the vandals to move it from its place and transport it to Waukegan. It was presumed that the thieves thought that the origin of the stone would not be detected, since they had brought it a distance of 25 miles from Grass Lake cemetery and had passed three or four cemeteries between Waukegan and Grass Lake.

The parents of the child from whose grave the stone was taken are Mr. and Mrs. Robert Yopp, who now reside at Spooner, Wis.

Roisterers Attack Former Antioch Man

Theo Kunda, formerly of the News force and at present owner of the North Chicago Journal, was the victim of a group of drunken roisterers last Wednesday evening.

Kunda was traveling on 14th street in North Chicago as the truck in which the men were driving rounded the corner. He drove his car to the curb in an effort to keep from being hit by the oncoming truck. As the truck came alongside two of the occupants jumped out, climbing onto the running board, attempted to drag Kunda from the car. Seeing that he was outnumbered and his attackers would be successful in dragging him out, Kunda jumped out and took refuge in a nearby drug store.

There the police were summoned and Chief Tiffany took the pair who had started the fracas into custody. The men, who were employees of Aunt Lou's Bakery, Waukegan, spent the night in jail and were arraigned Friday on a charge of assault and battery. Their case will receive a hearing on Friday, December 9th.

BUSINESS TAX AMENDMENT PASSES VILLAGE BOARD

Funds Raised Will Be Used For Police Protection— In Force Jan. 1.

Police protection for the village was assured last Tuesday evening when the board passed the amendment to the business tax ordinance providing that the funds so accumulated should be used for police protection. The ordinance, which was originally passed some months ago, was amended to make the collection for this fiscal year apply to the period from the first of January to the first of May.

According to the terms of the ordinance, business enterprises in the village are divided into classes and each business will be taxed for every separate enterprise in which the firm is engaged.

Duties of Night Police Defined
Hours of labor for the night police were set at 6 p. m. to 6 a. m. by the board and it was voted to add additional police duties to his work. Former Motorcycle Police Frank Valenta will be retained for the night police work, according to present plans.

It was also decided to purchase a watchman's time clock system for use during the night watch.

Representatives of the Public Service Co., appeared before the board to furnish blueprints of suggested streets and alleys which would be satisfactory to them in the installation of the new gas pipes. The maps were referred to the committee of business men who were appointed at the previous meeting to consider the desirability of the additional streets. Delinquents who have not yet paid their water tax will find themselves without water in ten days, according to action taken by the board Tuesday evening.

Vehicle License Report Made

Harry A. Isaacs, clerk of the village board, reported to the organization the sale of 333 vehicle licenses during the season. This is the largest number of such permits ever sold in Antioch. The money derived from this source, stated Mr. Isaacs in his report, was \$1,674.40.

Eight people, six of whom were traveling at a rate of 40 miles per hour or better, were brought into Justice Harold Gelstrup's court by the motorcycle cop during the period from November 1st to 15th, according to his report. One reached the speed of 35 miles and the eighth received a fine for driving without lights. All were from Chicago or Evanston. A total of \$26.00 was collected.

Subscribers Hasten To Take Advantage Of News' \$1.50 Rate

Many of the subscribers of the Antioch News have this week renewed their subscriptions to the paper. Their foresight is shown by the fact that they were able thus to obtain the subscription in advance for next year, and, in many instances for two and three years in advance, at the old price of \$1.50 per year.

The price of \$1.50 will be extended to all new subscribers and to all who renew their subscriptions up to January 1st, 1928. After that time the subscription rate will be \$2.00. Subscriptions may be paid in advance for a period not to exceed five years.

Congress Is Asked To Appropriate \$170,000 For Fox River Control

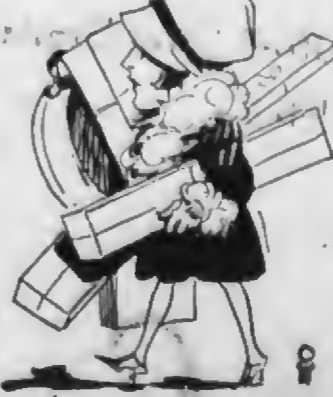

The flood control appropriation bill submitted to Congress this week by the Flood Control Committee of the House of Representatives, of which Frank R. Reid of Illinois is chairman, includes an item of \$170,000 to be used for the Fox River.

The house committee recognized the importance of the lesser rivers in the curbing of the spring flood waters and the money will, without a doubt be utilized for the building of dams in the upper reaches of the Fox, or, as the residents of the lower valley express it, for a retaining wall with locks and flood control facilities.

LOYOLA AND DE PAUL WILL MOVE TO LAKE COUNTY, IS REPORT

Two Catholic Schools Are
To Be Moved to
Mundelein Soon.

According to reports in circulation recently two large universities are to be moved to Lake County. They are the Catholic institutions, Loyola and DePaul, both of Chicago. According to statements made recently a building program which will represent a total expenditure in excess of \$9,000,000 will be inaugurated.

The schools will be located at Mundelein, on land purchased by George, Cardinal Mundelein. The proposed schools will not be connected in any way with St. Mary of the Lake Seminary.

It is authentically reported that the Loyola and DePaul university buildings will probably be built on the north side of the seminary grounds on the old Swift farm, a 420 acre tract purchased by Cardinal Mundelein from Senator Rodney B. Swift at the same time many holdings were taken over by the church.

It is claimed that both Loyola and DePaul universities have grown to such an extent in the past few years that it is absolutely necessary that the institutions be enlarged before long, so as to adequately handle demands. It is said that the fact that there will be plenty of room for expansion coupled with other advantages of locating at Mundelein, has resulted in plans being started by the Chicago universities to move to Lake county.

For a time, it is said, the officials of the Loyola and DePaul universities hesitated about making a change in location because of the fact that a large percentage of students at both institutions live in Chicago and vicinity. However, when it was shown that transportation facilities between Chicago and Mundelein are good, the running time of North Shore trains from the loop to Mundelein being one hour, they were agreeable to the location change.

The large acreage which the two universities are said to be planning to take over will make it possible to have a beautiful campus as the site is one of natural beauty.

BRISTOL

Mr. and Mrs. Frank Gethen and Mr. and Mrs. Louis Wienke were among the number who attended the double wedding anniversary of Mr. and Mrs. Frank Tourtelotte and Mr. and Mrs. Edward Stratton at the former's home on Monday evening. About 90 were present to enjoy the occasion. Each couple received table silverware. Refreshments were served.

BRISTOL NEWS

Rev. Johnson spent Wednesday in Milwaukee.

Mr. and Mrs. Frank Gethen, Mrs. Minnie Dixon, Clifton Gates, and Alfred Pohlman attended the Wesley Chapel bazaar Friday evening.

The Apron social given Friday evening at the Wm. Foulke home for the benefit of the Husmer cemetery society was well attended. Mrs. O. Williams and Miss Ruby Fox, program committee, provided excellent entertainment. Proceeds about \$30.

Miss Florence Selby entertained her former Sunday School class at Salem Friday evening. Those present were: Mr. and Mrs. Lloyd Henley, Misses Ruby and Beatrice Higgs, Miss Barthell, Miss Ronie, Misses Ethel and Clara Gitzlaff, Edward Evans, Mr. Barthell, and Mr. Miller from Salem, also Miss Eunice Dixon, Bristol. Progressive Rook was played and refreshments served.

The following guests were entertained Sunday at the Stonebraker-Benedict home: Howard Higgins and family of Kenosha, Miss Beatrice Benedict, Woodworth, Paul Phornpon and Raymond Shumway and family, Bristol.

The combined Epworth League and Sunday evening service which was led by Joseph Goff was well attended. Mr. Goff gave an excellent talk to an appreciative audience.

Mr. and Mrs. Henry Kort, Gust Kort and Mrs. Gale, Kenosha, called at the Selby home Sunday; also on Mrs. A. G. Hartnell, Salem.

Mr. and Mrs. H. B. Gaines and Mrs. Myra Alderson spent Friday in Chicago.

Rev. A. C. Berg made a business trip to Chicago Monday.

The speakers will be Rev. Slesker, Burlington; Rev. Bartz, Waukegan; and Rev. Brohm, Kenosha. The occasion is a rededication of the church, owing to the new interior decorations. The church was first dedicated 32 years ago. The ladies will serve a chicken dinner to the public at 12:00 noon; also supper in the evening.

LAKE VILLA COUPLE CELEBRATE THEIR 20TH ANNIVERSARY

Community Has Much Club
And Social Activity
This Week

Last week Wednesday was the twentieth anniversary of the marriage of Mr. and Mrs. George Helm and Mrs. Helm's sister, Anna Sieck, planned for them a pleasant party which was a complete surprise. About twenty guests were present at the home of Mr. and Mrs. Helm and "500" was the program for a part of the evening.

Mrs. E. J. Murrie has rented her store and sold her goods to Mrs. Carl Reinbach who will continue in the same lines as Mrs. Murrie. Mrs. Murrie is retiring from business in order to take care of the children of her sister, who died recently.

Mr. and Mrs. R. H. Sherwood started Monday of last week for their winter home in Florida to remain until next spring. They made the trip by auto.

The Bridge club met with Mrs. Leo Barnstable last Friday afternoon and Mrs. Al Boehm won first prize, Mrs. Reinbach, second prize, and Mrs. P. Avery the consolation prize. A delicious luncheon was served at the close of the games.

Mr. and Mrs. Carl Seeger were Kenosha visitors last Friday.

Mr. and Mrs. Wm. Weber, Jr., have returned from an auto trip to Missouri where they visited the family of Rev. Snyder, a former pastor here, also friends at St. Louis and the Edgar Kerr family at Bloomington. Mrs. Mary Dalrymple is able to be out after being confined to her bed for several weeks.

Among the Chicago visitors to see

Santa Claus and toyland last week were Mrs. Hopper and Lorraine, also Mrs. Hall with Jule and Jerry.

Miss Ruby Falch was a Chicago passenger Wednesday.

Miss Scott and Miss Warner attended the Teachers' meeting at Libertyville on Saturday.

The Medicine show held here in Barnstable hall from Wednesday till Saturday night was not very well attended, though their entertainments were very good. Miss Mabel Scott received a prize for being the most popular young lady. Mr. and Mrs. E. Thayer the prize of the oldest married couple and Dickie Stratton won the prize in the baby contest.

Ben Cribb spent Sunday with her friends in Chicago.

Ben Hamlin and Frank Hamlin were in Waukegan on business last Monday.

Itene LeQuenz, who lives with the Owen family on the E. J. Lehman farm, is in quarantine for scarlet fever, which he has in a very mild form. As he has been a pupil in the primary room, there is no school for the 1st and 2nd grades this week, and the whole school has been fumigated. Several of the children have been vaccinated for the scarlet fever as a preventive.

"Do" not "Don't" Is Key Word, Speaker Tells P. T. A. Group

"Do" and not "Don't" is the big word in modern child training, stated Supt. R. H. Ihlenfeldt of Kenosha County, Wis., in giving a discussion of the problems of the teacher and the parent at the meeting of the Parent-Teachers Association of the Grade School Monday evening. Mr. Ihlenfeldt emphasized the positive angle of education as opposed to the mere negative attitude often adopted by the parent and the school.

Mrs. Ihlenfeldt led the singing and Miss Gillmore, also of Kenosha, gave a reading.

Mr. Ihlenfeldt complimented the school on the beauty and appropriateness of the pictures hung upon the walls of the school rooms, saying that he had never seen a similar group that was superior to it. Three new pictures were hung in the second grade room, "Maytime," "Playtime" and "Mary's Little Lamb." A new purchase, "Fisherman's Wife," the possession of the P. T. A., is hung each month in the room which has the highest percentage of parents present at the Parent-Teachers meeting.

Following the program the social committee served refreshments and the parents visited the rooms to look at the new pictures and displays of children's work.

WOMAN'S CLUB HOLDS MEETING

The Antioch Woman's club held its regular meeting at the village hall on Monday afternoon. The program was in the form of an exchange of ideas between the members of the club. Each member told of her pet labor saving device, and later in the afternoon each one told of her solution of the Christmas gift problem. Mrs. John Brogan, Mrs. H. B. Gaston and Mrs. Clarence Crowley were the hostesses.

Plans for the community Christmas tree were discussed.

The club will hold the annual Christmas party for members on Monday, December 19, at the home of Mrs. Grice.

MRS. SHULTIS HOSTESS AT CARD PARTY

Mr. and Mrs. Nell Shultis were host and hostess last Thursday evening to the members of the Thursday evening club. The evening was spent at Five Hundred.

M. E. LADIES AID HOLD ANNUAL DINNER

The ladies of the Methodist church are holding their annual chicken dinner and winter sale at the church basement this evening.

BRIDGE CLUB MEETS WITH MRS. BEEBE

Mrs. H. F. Beebe was hostess to the ladies of the Bridge club at her home on Lake Street Wednesday evening of this week.

Christmas Gift Problem Solved

How many times this year have you written to that absent friend? Or to the relative who formerly lived here but now is living in a distant corner of the land? Every week? Probably not. And when you did write, did you tell him or her all of the news? Have you told of the new factory, the appropriation for a dam in the upper Fox River Valley, the Palace and other new amusement facilities opened up in the region this year, the new bank buildings, the many business, social and religious activities carried on throughout the year. Have you told him or her what the village board, the church, the lodge, and the Business Club, and the other organizations are doing?

Of course your answer to such a series of questions must be "No." Yet all of these things and many more the absent relatives or friend would like to know about. But you can have a proxy next year.

You can furnish your friend with the happenings of the community each week, no matter how busy you yourself may be. A subscription to the Antioch News for a Christmas present will tell him these things so interesting to him. A dollar and a half expended now for that purpose will send him the news of the old home and community during all of the year. It will be a Christmas gift he will prize.

Christening Service Held Last Sunday

James Edward, the infant son of Mr. and Mrs. James Dunn of this place was christened at St. Peter's church Sunday, the Rev. Father Lynch officiating. Miss Margaret Dunn and Walter Carey were sponsors. Out of town guests present at the christening were Mrs. Louise Carney and daughters, the Misses Alice and Edith Carney, of Waukegan; Mr. and Mrs. James Gaynor, Mrs. Peter Newbauer and Mrs. Georgiana Thibault, all of Chicago. Mrs. Thibault is the great grandmother of James Edward, and her presence completed the five generations of the family.

Following the ceremony the christening supper was held at the home of Mr. and Mrs. Frank Dunn.

MASONIC LODGE ELECTS OFFICERS

The local Masonic lodge held election of officers at their meeting on Monday evening. Arthur M. Hawkins was chosen Worshipful Master; Herman Cribben, Senior Warden; Elmer Maples, Junior Warden; Elmer Brook, Treasurer; Frank B. Huber, Secretary; Adolph Pesat, Senior Deacon; Nels Laurson, Junior Deacon; and Solomon La Plant, Tyler.

The Eastern Star lodge will elect officers this evening and the Masonic and Eastern Star organizations will hold joint installation of officers on Wednesday evening, Dec. 14th.

EXCHANGES

The formal merging of the Farmer's Exchange State Bank and the American National Bank, two of Woodstock's leading financial institutions, was effected last Wednesday, November 30th. The newly organized bank will be known as the American National Bank and will be located in the building occupied by the former American National bank. Capital, surplus and undivided profits of the new organization are quoted at \$200,000.00 with a total of combined deposits of \$1,463,360.93.

CHRISTMAS SALE AND SUPPER TO BE GIVEN

WILMOT TOSSERS WILL START SEASON AGAINST OLD RIVALS

Community Band Plans
Second of Series of
Concerts.

A galaxy of former high school stars returned to Wilmot gymnasium Friday evening and showed the prospective high school stars how the game should be played, defeating them by a score of 29 to 20. Nine alumni returned, each one in splendid physical condition, and each one a better player than when he was in school. Babe Loh, Stuh Loh, Norman Kleiter, Puffy Hutton, Shubert Frank, Don Herrick, Red Richards, Fred Schmalfeldt and Lyle McDougall all performed in great style.

But the high school boys were no set up. With but one veteran from last year's line team, little was expected of them. At first the green men were seemingly stage struck, but soon they began to show the results of careful drill on the fundamentals of the game. They outpassed, out-pivoted, and at times out-fought their big opponents, but they lacked the polish of finished performers. Captain John Menner was a star, and an inspiring leader. He was everywhere at once. Chet Runyard, laaky center, showed that he has arrived at last, and George Richter was the key of the offense. The two Maiden brothers performed in good style at guard and Lester Hutton, Schreck, and Bloss showed their wares at forward.

Next Friday evening the annual game with the Richmond team will be played. Fans have not forgotten the close game last year, which Wilmot lost by two points, and are planning to pack the gym in hopes of revenge. A second team game will also be played, and the newly formed Land O'Lakes Athletic club team will endeavor to turn back the Somers team for the second time.

The high school glee club, which promises to be a popular organization both in and out of school, will sing several Christmas songs at the Silver Lake P. T. A. Tuesday evening of this week.

The regular December meeting of the Wilmot P. T. A. will be held on Tuesday evening of next week. The glee club is again scheduled to perform. Miss Meyers will play a piano solo, and a musical trio composed of Miss Rhoda Jodelo, Norman Jodelo, and Mr. Mulder will play selections. Other numbers will also be included.

The Community Band concert and card party held at Salem Friday evening was a very successful affair. The members of the band will decide at their next practice at the Wilmot gym Tuesday evening where the next affair will be given. Plans for a concert and card party at Spring Grove in the near future are under way.

NEW FORD CAR TO BE SHOWN SATURDAY

Local Firm Will Place New
Fords on Display Here
On Saturday.

The new Ford is to be shown in Antioch for the first time Saturday at the sales room of the Antioch Sales and Service Company.

When Mr. Ford announced to the public that he was to introduce a new car he had not only conceived this car, but it was already well on the way to materialization. In the years that the Model T had been produced many inventions, ideas, improvements had presented themselves which did not fit into the scheme of the Model T. Many of these things were retained, against the day when new ideas of automotive efficiency would pave the way for a new car. The formal announcement, last May, was principally significant because it marked the end of production of the Model T as a complete unit.

Cessation of production of the Model T, did, however, turn the full force of the vast organization of the Ford company to the problem of creating and producing a new car, with the exception of that part of the facilities necessary for the reconstruction of not one plant, but many. Thirty-three assembly plants in the United States, the Ford Motor company of Canada, and twelve plants in foreign countries had to be considered. A greater problem still, the fountain-head of the parts to feed the branch plants had to be rebuilt almost from the ground—the great Ford industries at Highland Park, at Fordson, and along the River Rouge.

The assembly line at the Fordson plant today is creeping slowly, as compared with the normal production, but each day sees increasing speed. Back of that assembly line, in the units where the parts are made which feed the assembly, a more impressive idea of what has taken place in the Ford industries may be had.

Working limits which would do credit to some of the finest automobiles of today are being imposed in many departments. Variations of more than one ten-thousandths of an inch are not permitted in many parts. The speed that characterized production of the Model T is being attained, but it is speed with almost uncanny accuracy. Henry Ford is

"Is Your Daughter Safe" Is Coming To Antioch

Hundreds of doctors who were present in Los Angeles last week for the physicians convention attended the theatre to see "Is Your Daughter Safe?" at the request of the theatre management. Many letters of congratulation have been coming to the box office signed with the names of world-fame doctors. The doctors were highly pleased with the film.

Some of the physicians said that this sensational expose of modern vice conditions was the best thing they had ever seen to educate the public to the dangers lurking under the cloak of our modern attitude toward morality.

"Is Your Daughter Safe?" is to be shown at the Crystal theatre Monday and Tuesday, Dec. 19th, and 20th.

demonstrating that his mass-production methods can be applied to the manufacture of any type of car, without sacrificing the mechanical accuracy which is essential to maximum performance of the finished automobile.

He is demonstrating something else, at which engineers are marveling—he is utilizing methods which had been pronounced impractical. Electrical welding of essential parts, such as the rear-end assembly, is being employed, with a consequent strengthening of the car, and elimination of sources of noise and trouble. Sun steel forgings are being used in a way that is new to the automotive industry. New features of four-cylinder motor design have resulted in greater power and flexibility than had been anticipated. And so the story goes—a story of new methods, revolutionary principles of manufacture, of design.

This is some of the background of the new Ford car which is to be encountered by those who dig into the story of the happenings of the last six months. It is a story which will be many more months in unfolding, as the American and foreign assembly plants swing into line for the production of complete cars.

F. J. Ayers of Burlington, for more than half a century a trainer, race horse owner, and developer of racing stock, retired last week from the business and sold the last of his fleet racers at public auction.

Action on the part of the state
commerce commission, following the
tragedy at the Bondout crossing of
the C. Milwaukee and St. Paul Rail-
way a short time ago in which the
lives of three Lake Forest youths
were forfeited, resulted in the as-
surance of the company that the
crossing would be guarded at all
times in the future. It was thought
probable by Supt. Kelly of the rail-
road that flashing lights would be
installed on either side of the cross-
ing to warn the motorists of a dan-
ger point.

EXCHANGES

That there are four Milwaukeees,
two Chicagoes, thirteen Newarkes,
twenty-six Madisons in the United
States was told by Joseph Relly of
the postoffice force of Milwaukee
Wis., recently. Even Oshkosh and
at Green Bay are duplicated. Every
wave of population from the older
settlements has left a bevy of New
England's names in its wake and it
is not uncommon to find a whole
group of town names listed almost as
a unit from the map of the colonizing
state. That's one reason why it is
important to write the address on
your Christmas packages and letters
as well as all mail at all times, as
legibly as possible. Because of il-
legible handwriting more than 25,
000,000 letters go to the dead letter
office each year.

Ninety pairs of foxes were receiv-

ZION-ROCKTON ROAD HEARING IS PLANNED

(Continued from page 1)

ly through Antioch Hills subdivision,
across highway 59 to what is known
as Smart's Hill on the Channel Lake
Road.

Frank R. King, who always has
been active in pushing road building
and who favors an intersection with
Route 21 within the business district,
preferably the Orchard Street loca-
tion, voted "No" on the proposition
to submit the two locations before
the highway commission at the
Zion hearing. Mr. King's motion to
have the matter placed before a mass
meeting of interested property own-
ers of Antioch failed to receive a
second.

The eleven road boosters serving
on the committee for Antioch and
Antioch township were: S. E. Pol-
lock, chairman; Frank R. King, Chas.
Webb, Chase Webb, Henry Grimm,
Harry Smith, R. C. Abt, C. K. Ander-
son, B. F. Naber, Frank Dunn and
Paul Volk.

Seek Lobdell's Advice
County Highway Engineer Lobdell
of Waukegan was here Tuesday upon
the invitation of the committee to
look over the proposed locations and
give an engineer's view as to the
feasibility of the routes. Mr. Lobdell
accompanied the committee over the
road from Bean Hill to the McHenry
county line west. Later the commit-
tee assembled at the village hall
where Engineer Lobdell gave some
very sound advice regarding unity
of action and co-operation with the
state department to hasten the build-
ing of the route.

The preliminary meeting at Rich-
mond will be held tomorrow night,
according to Mayor J. G. Stevens
who received with enthusiasm the
news of the state department's re-
quest for a hearing this month.

Route 173 when completed will
join Zion on the eastern edge of the
state to Freeport on the west. The
road will run from Zion in a general
westerly direction to Harvard and
from there to a junction with the
Deloit-Rockford road, jog north a few
miles to Rockton and Durand, thence
to Freeport. The hearing on the
Harvard-Rockton section was held
some weeks ago.

St. Ignace Church Notes

(Episcopal)
3rd Sunday in Advent—Calendar
9:45 Church School
11:00 Matins and Sermon
Next Sunday the topic will be
"Heaven and Its Meaning Today."
Advent tells us Christ is near.
Christmas tells us Christ is here.
Thus the words of the old hymn go
and explain the meaning of the Ad-
vent Season in the church year.
Calendar. This is Bible Year at St.
Ignace' and the Bible is stressed
as to its permanent message to this
generation and its conduct. The
Revelation of the Bible is complete.
Its doctrines are immutable. Its
Truth is inviolable. and its authority
absolute. Thus the Church becomes
Catholic for every Truth of God and
Protestant against every error of
man. Catholic of course means in
the Greek, universal.

Over one hundred presents were
sent to Fr. Cooper in Panama where
he has 2500 Indians who would have
no Christmas if others did not help.
It is to be hoped that the gifts in
the milk boxes are increasing as the
days come nearer to Christmas Day.
